Interactive Opportunities

Hands On Innovation Sponsor \$1200 (12 available)

- One of the Conference's most anticipated and highly attended sessions, the Hands-On Innovation Stations offer exhibitors the opportunity to showcase their products through direct, interactive demonstrations. Attendees engage with your technology firsthand, allowing for meaningful product exploration and in-depth conversations with your team.

Live Scanning \$4000 (inquire for availability)

- As educators present from the dais, a credentialed sonographer or physician expert demonstrates your technology in real time. Your system and images are projected on large screens, providing attendees with a clear, immersive view of your product in a live clinical application.

Exhibitor Opportunities

Exhibit booths are not included in sponsorship packages and must be purchased separately. For packaged pricing, please reach out to Tom Ende at tom.ende@svu.org.
